

Surreybrooke Weekly Update 07/01/2010

We are looking forward to an exciting summer at the nursery. We have newly arrived statuary, including birdbaths and brick washed pots. Daylilies, crocosmia, shasta lilies are just a few of the summer blooming perennials for sale in July. Don't forget that we switch to summer hours after the 4th of July. This means closed on Monday and Tuesday and Sunday mornings! You do not have to be shopping for anything to stop by and walk thru our gardens; we welcome you to enjoy the summer blooms and play in the children's garden or even pack your lunch to eat in the Ellipse garden.

Hope to see you soon!
Nancy
